RESPONDENT'S PROFFER ON AWARD OF COMPENSATION

I. Items of Compensation

The Court issued a Ruling on Entitlement on November 21, 2018. Based upon the evidence of record, respondent proffers that petitioner should be awarded \$55,000.00, which represents compensation for past and future pain and suffering. Respondent also proffers that petitioner should also be awarded \$1,248.34, which represents compensation for past out-of-pocket medical expenses. These amounts represent all elements of compensation to which petitioner would be entitled under 42 U.S.C. § 300aa-15(a).¹ Petitioner agrees.

II. Form of the Award

Petitioner is a competent adult. Evidence of guardianship is not required in this case. Respondent recommends that petitioner be awarded a lump sum payment of \$56,248.34, in the form of a check payable to petitioner. Petitioner agrees.

¹ Should petitioner die prior to the entry of judgment, the parties reserve the right to move the Court for appropriate relief. In particular, respondent would oppose any award for future medical expenses, future lost earnings, and future pain and suffering.
